Senior Class History

In September, 1945, the Senior Class of 1949 assembled for the first time in a body at the Parlin Junior High School. We were now ninth-graders or rather freshmen, as we preferred to be called. After the first few weeks of general disorder and confusion, we settled down to the routine of school life. Richard Lionette was elected President and Mary McCarte, Vice-President of our class. Although we were soon engulfed in our studies we still had time to attend many of the pleasant socials. The assemblies, too, proved to be very entertaining. The highlight of the year, however, took place on Parlin "P" Day, for on this eventful day, which is celebrated in honor of the benefactor of the school, students received the coveted "Parlin P" award.

After this very profitable freshman year, we were "graduated" to the Senior High School. Entering the building as lowly sophomores, we soon found ourselves in the midst of a new and confusing world — a world dominated by both Juniors and Seniors. It was not long, however, before we regained our confidence and self-respect. After electing our class officers — President, Richard Lionette; Vice-President, Mary McCarte; Secretary, Marie Butera; and Treasurer, Alice Jagiello, we were established as an entity in the school — the Sophomore Class! Now we began to enter into the spirit of school life at Everett High. Besides our regular work, we participated in many other activities, such as Glee Club, Gilbert and Sullivan, Lyceum, Football, Baseball, and Basketball. During this year, too, we enjoyed many pleasurable assemblies, among which was the presentation of "Trial By Jury" by Gilbert and Sullivan.

The next step in our educational career began in September, 1947. At this time we entered the school with the prestige of Juniors. No longer confused and callow sophomores, we made much progress in both school work and outside activities. We soon elected our class officers — Richard Lionette, President; Mary McCarte, Vice-President; Claire Hill, Secretary, and Mary Colosi, Treasurer. The two outstanding events of the year were the successful Junior Prom and recently innovated Talent Assembly.

With our Junior Year completed, we embarked upon the last lap of our journey — the Senior Year! We had risen from timid sophomores to stalwart seniors. The fulfillment of our dreams was now in view — graduation! Under the leadership of Richard Lionette, Mary McCarte, Marie Butera, and Willis Mitchell, our class officers, we made splendid strides in every direction. This year, moreover, proved to be most eventful. Our regular school work was supplemented by various outside activities, such as the Senior Prom, the Senior Class Play, and the Glee Club Show. Then, too, the splendid assemblies which were conducted by the Student Council are worthy of special mention. Perhaps the most enjoyable assembly, however, was "The Mikado," which was presented by Gilbert and Sullivan. Finally, for the first time in its history, the Everett High School Dramatic Club won top honors at the Massachusetts State Festival.

Thus, as our Senior Year draws to a close, we view with regret the termination of these oh-so-happy years. We feel confident, however, that the class of 1949, equipped with the training which it has received at Everett High, will make many useful contributions to the welfare of the nation, and of the world.

The School Council

The school council has completed a most successful year. The officers chosen were George Keverian, student chairman, and Joan Barry, secretary-treasurer. Nancy Styles, Josephine Mazzone and June Moccia complete the senior group. Ann Beecher, Claire Corcoran, Jacqueline MacDonald and Jeanne Sacco are the junior representatives. Barbara Serafini, Joan Kenison, and Cynthia Normine represent the sophomores.

The council has presented to the school a very fine list of assemblies throughout the year. Keeping in mind that their purpose is to make helpful suggestions that will serve to better the school, the council has instituted, for the benefit of the students, a suggestion box. Moreover, the school council has sponsored many collections such as the March of Dimes collection, and the Salvation Army collection which have proved very successful.

As the year comes to a close, the greatest project of the council still lies ahead. Preparations for a talent show to be held in the Rockwood Auditorium are now under way. This show is another of the pioneer programs that the council has presented this year.

The members of the faculty on the council this year were Mr. Bleiler, who served as faculty chairman, Miss Jennings and Miss Gibbons. Their able assistance was of great value to the student representatives.

Junior Class History

In September, 1946, at the Parlin Jr. High School the Class of 1950 was born. At that time the representatives (presidents) of each home room elected Anthony Rocco (Pres.), Fred Pinkham (V. Pres.), Gordon Long (Sec'y), and Cheryl Millett (Treas.) to guide the affairs of the class for the year.

During the year many enjoyable socials were run. In addition, the class witnessed several educational and equally enjoyable assemblies. A particularly memorable one was the concert given by members of the Indianapolis Symphony Orchestra.

On the day on which we honor the generous benefactor of the school, Parlin-P Day, sixteen girls and two boys received the much coveted award, thus marking "finis" to an eventful and profitable year.

After much eager anticipation, we at last arrived at the Senior High School in September, 1947. Having once acquainted ourselves with the new regulations and the labyrinthine system of room numbers, we elected Gordon Long, Fred Pinkham, Patty Fitzgerald, and Louise Pasquarrello as class officers, and chose Claire Corcoran, Jeanne Sacco, and Dawn Taylor to represent the class in the student council.

Life at Everett High School proved very agreeable, our well balanced curriculum being flavored with very interesting assemblies. One of the best, for example, was the heart-warming talk of courageous Harold Russell, whose appearance was arranged by the hard-working student council.

The class was well represented in all extra-curricula phases, with members actively participating in Lyceum, Glee Club, Band, Orchestra, and Athletics.

No longer silly sophomores, we returned to Everett High School in 1948 to take our place as members of the upper class.

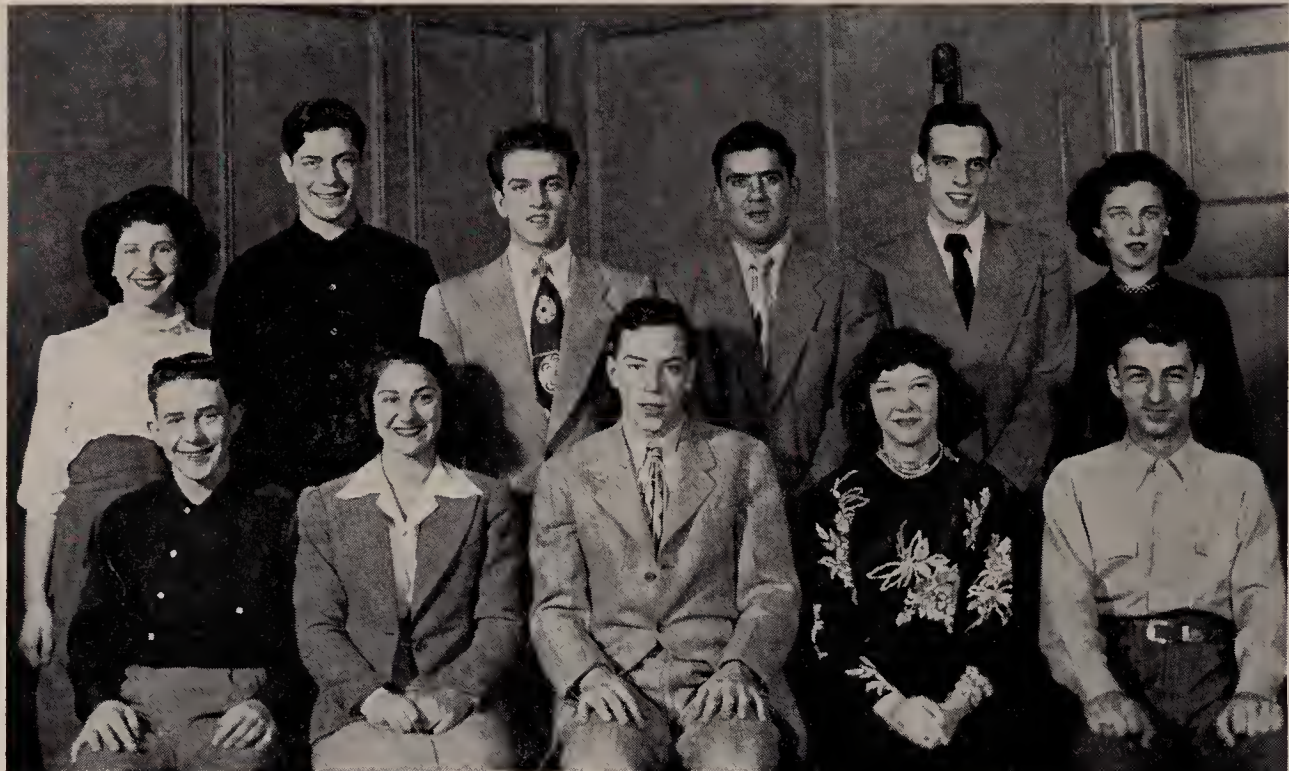

With renewed vigor, after electing Gordon Long, Fred Pinkham, Cheryl Millett, and Marjorie Buitenhuis as class officers and Claire Corcoran, Ann Beecher, Jacqueline MacDonald, and Jeanne Sacco as student council representatives, the class plunged into the year's affairs — curricula and extra-curricula.

The assemblies were of the most stimulating variety. The polished student productions of the year, "Drama Night" (Dramatic Club), "Mikado" (Gilbert and Sullivan), "Pirate's Daughter" (Glee Club) owe their popularity in a large measure to members of the Class of 1950. Furthermore, much credit for the success of our athletic teams is due to such outstanding athletes as Art Knowlton, Armand Atamian, Joe DeVito, John DiBiaso, Gordon Long, Charles Squires, and Donald Conley.

The sheer enjoyment and pleasure of the climatic highlight of the year, the Junior Prom, was brought about only by the untiring efforts of the excellent committee.

In retrospect each member of the Class of 1950, while receiving immense feelings of satisfaction, is compelled from within to express his gratitude to Everett High School, now a vital and integrated portion of his life, for its important share in deepening his insight and broadening his interests and outlook. Toward this building he must look with deep respect; toward the coming year he must look with happy expectancy.

ACTIVITIES

Senior Class Play

Again our Senior Class came into the spotlight in November, when it presented its Senior Class Play, "The Cat and the Canary," which proved to be a real thriller. The faculty coach and director who made the play a huge success was Miss Myra H. A. Marshall. Mr. James McCauley was the faculty stage manager; and Paul DeConinck was in charge of tickets and publicity.

The setting is an eerie mansion in New York. As the play opens we discover from Mr. Crosby, a lawyer, and Mammy, a negro servant, that the will of old Cyrus West is to be read at midnight with all the living relatives being present. The lawyer has reason to believe that the will has been tampered with, thus giving us a clue of the exciting things which are to follow.

Just as Mr. Crosby is about to warn Annabel that she is in great danger, he is "spirited" away. He reappears only long enough to fall dead from a secret panel. After that, things happen in quick succession. We find that both Charlie and Paul seek the attention of Annabel, the only heir. There are more secret panels and even a large cat, who is Charlie, the villain, in disguise. Jealous relatives, an escaped lunatic, and a strange doctor all contribute to an exciting play. Annabel and Paul furnished the romance, and everyone contributed to the comedy.

Again the Senior Class gave an excellent performance.

Lyceum

The Lyceum has once again recorded an extremely successful and enjoyable year. Founded on the principles of debating and public speaking, these principles were put into practice by the many speeches, lectures, debates, round-table and panel discussions and student forums which were entered into throughout the season.

Every year the club presents the Boston College Prize Debate assembly. This debate, to be held in late April, is considered the climax of the debating season and is looked forward to with great anticipation.

The Lyceum was fortunate in having a very capable group of officers to head its activities. The club selected George Keverian as president; Wilfred Rule, vice-president and corresponding secretary; George DeNapoli, treasurer; and William Holmes, recording secretary.

Dramatic Class I

Dramatic Class II

Drama Night

The Dramatic Club, under the direction of Mr. McLaughlin, consists of members of the Junior and Senior Classes. This club, which meets one period a week, has a two-fold purpose. Its primary aim is to develop the student's personality through the experience and poise gained in the study of stage technique. Secondly, it wishes to contribute to the cultural background of the student through the appreciation of the drama as a fine art. All of the activities of the club are centered around these two purposes.

Perhaps the most important of these activities is the presentation of Drama Night. This year, Drama Night was immensely successful. Practically every member of the club participated in one of the three one-act plays which were presented. These plays — "The Cornhusk Doll," "Thanks Awfully," and "Bessie" were appreciated by the entire audience.

The Dramatic Club, however, is not all work and no play. Throughout the entire year, the group has enjoyed many theater parties which have proved to be both instructive and pleasurable.

The highlight of the year, however, came on April 2, for on this eventful night, the presentation of the melodrama "Bessie" was adjudged the best at the Massachusetts State Festival. This won the opportunity for Everett to represent Massachusetts at the New England Festival. Two members of this very distinguished cast received special awards — Joan Robertie, the heroine, and Fred Dixon, the villain.

Thus, we view with regret the end of our Dramatic Club year.

Girls' Glee Club I

Girls' Glee Club II

The Girls' Glee Club

The Girls' Glee Club, under the able supervision of Miss Myra Marshall, is one of the most talented and most highly appreciated groups at Everett High School. All members are carefully selected in competitive tryouts for their vocal ability and general appearance.

The girls earn one point toward graduation by their participation in assemblies, by taking part in the annual production, and by regular attendance at the meetings held period five on Tuesday and Friday in the Auditorium. As the club was so large Miss Marshall divided the girls into two groups, one group meeting on Tuesday, the other on Friday.

On several occasions the Girls' Glee Club has favored us at assemblies with selections from both popular and classical music. As its annual production the Girls' Glee Club presented "The Pirate's Daughter," a gay, dashing, musical comedy. Barbara Mills in the leading role, portrayed Elsie, the daughter of the wealthy Mr. Van de Meer. Peter, the head of the Police, romantically played by Charles Squires, successfully did his part in capturing the Pirates and the heart of Elsie.

The other principal parts were played by Marion Bernazani, Alice Jagiello, Mary Rao, Dolores DeFelice, Marilyn Woodbury, Mary LaFay of the Senior class and Esther Samsel, Lorraine McClellan, Alice Crowell, and Ruth O'Toole of the Junior class. The male leads were played by Gordon Long, Alfred Simonelli, Thomas O'Hearn, George Keverian, William Holmes, Albert Parlow, Robert Williams and Richard Campagnoni.

For the current year Alice Jagiello has been President with Cheryl Millett (Junior) as Vice President. The Senior members of the Club are Mary Rao, June Cornish, Margaret Kaepplein, Barbara Mills, Claire Hill, Marion Bernazani, Mary LaFay, Palma Barile, Josephine Genco, Mildred Mullins, Jessie Mackie, Barbara Lydon, Catherine Ross, Marilyn Woodbury, Dolores DeFelice, Pauline Ericson, Dorothy Harkins, Joan Knight, Rita DiAssisi, Phyllis Ellison, and Grace Medbury.

At the piano this year, assisting Miss Marshall, is Marion Samuelson.

Italian Club

Best regards to
my very good
friend
Joe Bongiorno.

The Italian Club has completed its twelfth successful year. The club annually presents "Italian Night" which includes Italian drama, folk and modern music. Italian Nights have been enjoyed by both the pupils taking part and the audience as well. The audience consists of people who are interested in the language of Dante. These people annually attend this event to hear this language spoken.

Italian Night this year was presented on May sixth before an appreciative crowd. The first part of the program included three plays, "Innocente Come Prima," "Un Matrimonio del Settecento," and "Maritiamo la Suocera."

The club has attended Italian films which test their ability in understanding Italian.

The Italian Club is also interested in the political, social, and economic activities of present day Italy, and from time to time have reports of these activities.

The Club Officers for the school year 1948-1949 were Mario Covino, President; Josephine Mazzone, Vice President; Gloria DiTucci, Secretary; and Michael Pezzuto, Treasurer. Mr. DeRubeis continues to be the club director.

Spanish Club

The activities of the Spanish Club, under the fine and able direction of Miss Helen Agbay, have been both instructive and pleasurable. The club, conducted entirely in Spanish, acquaints its members with the various Spanish-speaking countries, their people, culture and customs. The ultimate goal of the Spanish Club is to make its members and the public in general cognizant of the need for a better knowledge of our Spanish-speaking neighbors.

The club, which meets on an average of once a month, observes many of the festivities of Latin-American countries in order of their occurrence. For instance, at the Christmas meeting we discussed the various ways of celebrating this universal event.

Perhaps the most interesting meeting was that of March, for at this meeting, Miss Olga Mafera was guest speaker. Miss Mafera, who has traveled extensively in South America, presented us with a lecture and motion pictures. We are sure that this meeting proved to be both instructive and enjoyable to all.

April, however, is the club's most active month, for in this month Pan-American Day is held. The purpose of such a program is to stimulate relations with our South American friends. With this purpose in mind, the Spanish Club presented a very informative assembly on Latin America.

The termination of this year's activities came with the Senior's "May Party." Thus, with this gala event, we say "La salud" to the Spanish Club, and wish it equal success in future years!

Parlin "P"

"We, recipients of the Parlin letter, in order to establish a lasting spirit of good fellowship among the recipients of the coveted Parlin "P" and to maintain high ideals for ourselves, our school, and our community, do ordain and establish the Parlin "P" Organization." This is the preamble to the constitution of the Parlin "P" Organization.

At the Parlin Junior High School, an award is made to those freshmen who have distinguished themselves in the field of scholarship, citizenship, and athletics. It is the highest honor this school can present.

The Parlin "P" Club consists of three sections: the active chapter is composed of all Parlin "P" recipients still in high school; the alumni group, composed of those recipients of the Parlin "P" who have graduated; and the executive board, consisting of the officers of the active group, a representative from the sophomore, junior, and senior class, the principal of the Parlin School, and four faculty advisers.

Gilbert and Sullivan

The Gilbert and Sullivan Club is one of the most successful clubs at Everett High. It is under the direction of Mr. Ottavio DeVivo and meets every Thursday.

One of the most successful operas to be put on by Mr. DeVivo's class was "The Mikado" or "The Town of Titipu." It is a comic opera in two acts. Those who took the lead in this opera were Alfred Simmonelli, Arthur Stamler, Fred Dixon, William Fisher, Betty-Jane Lewis, Eleanore Gold, Julia Conti, Barbara Serafini, Alan Potter, and Aurica Lozzi.

The Gilbert and Sullivan Club also put on this opera for the Parent-Teachers' Association.

Besides being active in school, the Gilbert and Sullivan Club is very active outside of school. It also performs for the Kiwanis Club of Everett.

Vera Lilley, Mary McGonagle, Elva Starr, Alice Zahigian, Wesley Barrett, Joseph Capachietti, Joseph Conroy, Enrico DiTullio, Alfred Sheppard, and Marie Butera were members of the Senior Class who were especially active in this years' activities.

Riding and Swimming Clubs

The Riding Club, under the supervision of Miss Bond, meets every Wednesday afternoon and rides for one hour at the Pine Banks Riding Stable in Melrose. The girls have made wonderful progress. All of them have learned how to canter. Our equestrians ride in all kinds of weather because an indoor riding ring is included among the many facilities which the Pine Banks Stable offers our club.

The Swimming Club, under the instruction of Miss Alpert, meets every Thursday afternoon at the Malden Y. M. C. A. The girls improve their strokes, learn how to dive, and, above all, enjoy swimming all year round.

These two clubs are very beneficial to the girls who participate in them. Both riding and swimming help to build strong and healthy bodies, and provide relaxation to minds filled with math, history, Latin, English, and shorthand.

FOOTBALL

Everett High's Crimson Tide opened their 1949 season in the annual "School-boy Jamboree" at Lynn's Manning Bowl. Eighteen thousand thrilled fans watched the Everett eleven completely outclass Saugus with their brilliant passing and running attack. At the end of the abbreviated fifteen-minute game, the Crimson piled up nineteen points for a new record.

In their first scheduled game, Everett met a veteran Somerville team at Chelsea Stadium. Two fumbles and an intercepted pass proved too costly for the local lads as they went down to a 14 to 0 defeat.

On the following Saturday, Everett traveled to Salem and got back into the win column by defeating the Salem Witches 7 to 0. The well-earned victory over this rugged team was a fitting birthday present for Coach Gildea. The game ball was given to Art Knowlton.

The following Friday night the Crimson met Lynn Classical under the lights at Manning Bowl. Although the local boys threatened to score several times, the hard fought game ended in a scoreless tie. Ken Doig received the game ball.

Everett's next opponent was Medford — always a rival to the Crimson. After thirty minutes of rough blocks and vicious tackles, Everett scored. Then they pushed across another seven points and were well on their way for a third when the game ended giving Everett a sweet 13 to 0 victory.

On the following Saturday, Everett met the potential Class A Champions, Waltham. A pre-game rally was held to stir up spirit against a team which had just tied Malden 14 to 14. With unequaled fight and determination the Crimson Tide pulled the upset of the year in defeating the highly favored Waltham team 7 to 0. Dick Lionette was awarded the game ball.

With four wins under their belts, the local eleven met an undefeated Malden powerhouse. For two periods the two teams were locked in a rough and tumble deadlock with the Everett boys refusing to give Malden one first down. Then everything seemed to go wrong for the locals and the visitors pushed across five quick scores to take the game.

Everett climaxed the football season with the annual Thanksgiving Day game with Chelsea. Both teams were keyed up for the game and a terrific battle was put up by opposing lines. With the game tied up in the closing minute, a shifty little Chelsea halfback broke into the clear and scored. This touchdown was enough to edge the Crimson 12 to 6.

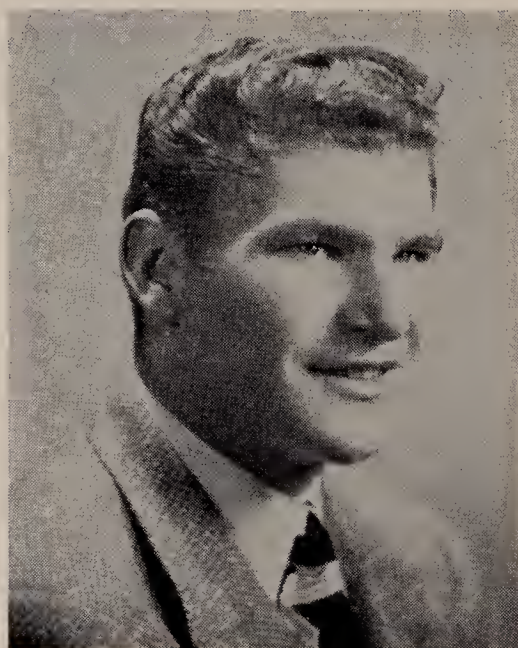

Perhaps no other team in the history of Everett was more handicapped than the 1949 eleven. Throughout the season the boys were forced to travel by bus every day to practice in a Saugus cow pasture. Due to the lack of a field house at the makeshift field, the team returned by bus to take showers and get their bruises attended to. Added to this sad condition was the fact that the Crimson had no stadium for their games; thus all their contests were played away from home. Despite these handicaps the Everett team, which had only two returning veterans, went on to compile an impressive record of four wins, three losses, and one tie. It can be truly said that the 1949 football team displayed unequalled determination and spirit in overcoming these obstacles, and the men that made this possible such as Doig, Lionette, Cecere, Barbati, Hart, Gray, Lanouette, Hines, and Fioretti carried on in the traditional Everett manner.

"ALL STAR GAME"

Following the regular football season, an annual "All Star" game is held at the Manning Bowl — the proceeds going to charity. The two competing teams are the Suburban Boston "All Stars" and the North Shore "All Stars." The teams are composed of the outstanding players of both sections, chosen by the members of all the football teams in this part of the state. This year Everett was well represented in the game with four of its team chosen for positions. They were Ken Doig, Dick Lionette, John Barbati, and Frank Guiliano. All four gave outstanding performances as their team won 28 to 7. As a reward for the well-earned victory, the boys were given a trip to New York.

DENNIS GILDEA, Coach

KENNETH DOIG, Capt.

BASKETBALL

Even though the 1949 Everett High School Basketball Team did not quite make the Eastern Massachusetts Tournament, they did enjoy their fourth successful season in four years. Despite the fact that three of the key men on last year's team had graduated, a record of thirteen wins against four defeats was piled up by the Everett "swish kids."

The team opened the 1949 season by walloping Malden Catholic, and soon after defeated Waltham at the Basketball Jamboree. A strong Quincy team then surprised the Putnamites by handing them their first defeat. After defeating Medford, Malden, Chelsea, and Lowell in that order, the Quincy lads proved too strong for the second time. Our habitual rival, Somerville, followed Quincy and gave us our third defeat of the season. Having tasted defeat once too often, the Crimson Tide rolled through the remainder of the season collecting seven straight victories including a satisfying victory over our greatest rival, Somerville. As the Everett basketball season came to a close, Coach Putnam received word from the tournament director that Everett High School would be admitted to the tournament, provided they emerged victorious from an Everett-Somerville play-off. Caught on an off night, Everett was defeated for the second time by the New England champions-to-be.

The seniors on the team were Captain Dick Lionette, John Lepore, Bill Snook, Sy Fuchuck, Ronald Lovett and Robert Williams. Charlie Squires and Gordon Long were the only juniors in the starting lineup. Duke Conley and Bill Snow both played the roles of tight-spot substitutes.

RICHARD LIONETTE, Captain

BASKETBALL — 1949

The team met with a mid-season disaster when fast-moving John Lepore broke his wrist during the second Quincy game. He was one of the best ball handlers on the squad and was missed greatly by the team during the remainder of the season.

TRACK

As the yearbook of the Class of 1949 goes to press, the track team is in its early phases of training. This year's squad is again under the able supervision of Coach Richard Hickey.

The '49 team is small but has more talent than any of the preceding teams of the last five years. Captain Tom O'Hearn has back with him this year such able veterans as Jack Butler, one of the best dashmen to be found anywhere; Bobby Martin, a good candidate for a State Meet medal in the high jump; and Kenny Doig, who should capture many first places in the shot put.

Other promising candidates for the dashes are Gordon Long, George Keverian, Frank Diorio, John Fitzpatrick and Bill Mitchell. In the distance department "Red" Powers will be back; Fred Pinkham, Allan Collins, Paul Munroe and Tom O'Hearn will run the mile.

The candidates for this year's team will bring back to Everett a keener interest in a sport that deserves as much praise and credit as any other sport in high school.

BASEBALL

Hopes are high for a good baseball team this year with a total of ten lettermen returning from last year's squad.

Coach Dragone's pitching staff will be bolstered by veteran righthander Billy Buitenhuis and brilliant young sophomore Lefty Seward. Other boys trying for either a starting position or relief role are Gigi Pellegrini, Davy Johnson, Bill Crowley, Wally Robinson, Rocky Riccardi, Red Gunderson, and Eddie Kitchen.

Filling the infield will be such veterans as Don Conley, Billy Snow, Harold Goldberg, and Kenny Doig, captain of this year's football team, who, in all probability, will guard the hot corner.

The outfield is well balanced with such lettermen as Jackie Ireton, Johnny DiBiase, Fran Leary, and Ukie Fuchuck. Outfielders from last year's Parlin team are expected to help fill in when any emergency may arise.

Catching duties are given to Captain Johnny Barbati, reliable backstop from last year. John's heads-up ball-playing has given him the reputation of one of the best catchers in the league.

Let's hope that Everett lives up to its expectations and brings a long overdue championship to Everett.

Conservation Group

The Conservation Club, though one of the least known clubs of the school, is by far not the least important. To learn more about its activities, one would need to know what the name "Conservation Club" means. "Conservation Club" means just what it implies — a club for the conservation of hearing. Although that may sound as though it deals chiefly with lip-reading, its primary purpose is to instruct the youth of our school in the ways of protecting and taking care of what hearing they now have. Because there are many who find it necessary to belong to this club, there are many who have to be refused membership because of program difficulties.

Under the capable guidance of Miss Noland, this club has, in the past, helped an indefinite number of young men and women, in high school and out, to regain in themselves and in others, the faith that they had lost because of some hearing defect.

To Miss Noland and her club members we wish the utmost in happiness and success for the future.

Future Home Makers of America

The year 1945 heralded the beginning of an Everett Chapter of the Future Homemakers of America. This organization, which is nationwide, consists of junior and senior high school students.

To encourage young people's interests in Home Economics and to develop responsibility and leadership are the primary aims of the Future Homemakers of America. Meeting periodically at each other's homes, they discuss future plans and methods of raising funds with which to send a delegate to the National Convention at Washington in July.

Recently the girls enjoyed a delightful performance of "Red Shoes" at the Majestic Theatre. Now they are making dolls which are to be given to hospitalized children.

The local officers are Rose Derderian, president; Florence Rayman, vice-president and secretary; and Ann Keefe, treasurer.

TESTIMONIAL BANQUET HELD LAST NIGHT FOR ST. THERESE'S JUNIOR BASEBALL TEAM

Some 300 persons attended a banquet given by members of the St. Therese Parish as a testimonial to the Junior Baseball team, last night at the Lafayette School Hall. The Glendale nine, under the leadership of Rev. John M. Donelin and coached by John Ward won the district champion-

ship with a record of 11 wins as against one defeat. This was the best showing ever offered by a St. Therese ball team. In the quarter finals, the locals lost a 2-1 decision to the star-studded St. Joseph's team of Somerville in the final and deciding game of the series.

However, the 11 victories speak for themselves. The team encountered stiff opposition this year, but succeeded in copping champion honors. The district included teams from Watertown, Malden, Medford and Everett. Next year many of the junior players will graduate into the intermediate circuit. This will greatly strengthen the possibilities of top honors for the locals in that class.

STOUT HEARTED MEN

You who have dreams, If you act they will come true!
To turn your dreams to a fact, it's up to you!
If you have the soul and the spirit
Never fear it, you'll see it through.
Hearts can inspire other hearts, with their fire.
For the strong obey when a strong man shows them the way!

Give me some men who are stout-hearted men who will fight for the
right they adore.
Start me with ten, who are stout-hearted men and I'll soon give
you ten thousand more,
Oh! Shoulder to shoulder and bolder and bolder they grow as they
go to the fore!
Then there's nothing in world can halt or mar a plan,
When stouthearted men can stick together man to man!
